+48 731 533 042

Skills

HTML, CSS, JS, SASS/SCSS,
NextJS, ReactJS, TypeScript,
TailwindCSS, NextUI,
Python, Django,
Django REST framework,
ReactNative

Languages

English	B2
Polish	Native

Hobbies

Repair and assemble computers
Tinker with cars
Making coffee
Spending time with trains

Courses

React & Redux	Certificate
DjangoREST	Certificate
Jira	Certificate

About me

I started my adventure with writing the code during first-level studies. Then I had created my first website with HTML, CSS and JS. My friends from second-level involved me into the world of Python, Django and React. Currently I develop my ReactJS skills with NextJS.

Education

(2022-2023) Post-graduated studies with Angular

WSB Merito in Lodz

Studies with basics of AngularJS and ReactJS. Project for graduation in ReactJS was an todo app with TypeScript.

(2021-2022) Master's degree in Applied Computer Science

Wroclaw University of Technology

Second-level studies in the discipline of Information And Communication Technology. Master's thesis is about application of machine-learning to polish railroads wrote with Python.

(2017-2021) Engineering degree in Computer Science

Lublin University of Technology

First-level studies graduated with engineering thesis on web application for employee labor management created in PHP.

Projects

JobsPortal

NextJS NextUI TypeScript DjangoREST Docker

JobsPortal is a web application created to look for job offers with filters and add own job offers.
